

NEGRAS LEVEL GAUGE

NEGRAS Level Gauges, provide versatility to suit various industrial applications. These gauges can be customized between a standard back mount design or an optional front mount design to accommodate different installation preferences.

Benefits and Features:

- Ensures accurate fluid level
- Durable stainless steel with flexiglass construction and bolting
- Available in PVC material to suit specific chemical liquid containment
- Available in Flanges or Threaded connection
- Space-efficient design with minimal protrusion
- Calibration certificate is available upon request

LEVEL GAUGE – PVC

LEVEL GAUGE MATERIAL		
NO	ITEM NAME	DESCRIPTION
1	VENT	PLUG - PVC
2	REDUCER BUSHING TOP	XX NPT - PVC
3	FLANGE FOR TOP LG	XX - PVC
4	PIPE FOR TOP LG	XX - PVC
5	TEE FOR TOP LG	XX - PVC
6	FLANGE FOR BOTTOM LG	XX - PVC
7	PIPE FOR BOTTOM LG	XX - PVC
8	TEE FOR BOTTOM LG	XX - PVC
9	REDUCER BUSHING BOTTOM	XX NPT - PVC
10	BODY	XX - PVC
11	PIPE DRAIN	XX - PVC
12	BALL VALVE DRAIN	XX - PVC

LEVEL GAUGE – SSG

LEVEL GAUGE MATERIAL		
NO	ITEM NAME	DESCRIPTION
1	VENT	PLUG - SS316
2	FLANGE FOR TOP LG	3/4" - SS316
3	FLANGE FOR BOTTOM LG	3/4" - SS316
4	PIPE DRAIN	1/2" - SS316
5	BALL VALVE DRAIN	1/2" - SS316
6	BODY	SS316 with GLASS
7	BOLTING	SS316

LEVEL GAUGE DATA	
MATERIAL	: SS316
LIQUID	: METHANOL
PRESSURE	: ATMOSPHERIC
TEMPERATURE	: 32°

***Note:**
Specific design and materials can be customized upon request.
